

## MAIN CONTROL PANEL TYPE: Z-8003

For the convenience of production line operators, Z-8003 Main Control Panel was installed at the Feeding Table Z-5200. This way, the operator responsible for the replenishment of empty containers has easy access to all necessary controls and buttons to control the operation of the equipment. He also has access to the HMI panel, which displays information about the current state of the production line.

### Dimensions and weight:

Width:	up to 500 mm
Depth:	up to 300 mm
Height:	up to 500 mm
Weight	up to 20 kg

### Supply:

Supply type:	Electric
Supply voltage:	24V DC
